MONEY TRANSFERS

WHY USE MERCHANT WEST TREASURY SOLUTIONS?

Merchant West Treasury Solutions has been providing financial solutions since 2003. Our commitment to providing both innovative and comprehensive currency transfer solutions has resulted in us becoming one of South Africa's foremost experts in the field of foreign exchange.

Our money transfers, into and out of South Africa, are done in strict compliance with money laundering and exchange control regulations; and all of our transactions are audited in terms of our licensing and banking obligations.

The benefits of using Merchant West Treasury Solutions are:

1. TRANSPARENCY

At the very core of our business is transparency. Often forex fees are hidden in large spreads and administration charges. We typically save you between 1.5% and 3% on retail bank rates and we divulge all fees (inclusive of the bank's) to you on each transaction.

2. PRIORITY CUSTOMER SERVICE

Benefit from the ease of our online registration process and the "no need to meet anyone in person" option, but rest assured you will be dealt with by real people and no call centres. We are also able to visit you or meet you at our offices. We watch the rate for you and trade for you on your instruction.

3. SECURITY OF FUNDS

Your funds go into a bank account in your own name. We are FSCA registered, ISO certified and have Fidelity Insurance.

4. EASY FICA REGISTRATION

We make the FICA registration process stress free and uncomplicated. Registering for our services is completely online and can be done from the comfort of your home.

5. NO FEES

No service fees and no administration fees for amounts above 50 000 ZAR*.

*Transfers under 50,000 ZAR attract a 250 ZAR fee
