WAYS TO SIGN OUR DOCUMENTS: ELECTRONIC

Using the online link to sign up for our services, you will be able to either:

- Insert your signature that you have previously saved on your PC
- Sign on a touch screen device
- Email the application to yourself in order to sign in the following ways:

Please ensure that your signature matches closely to that of your ID card or passport.

When opening the .pdf document (using Adobe), there is an icon at the top right that looks like a pen. It is called - sign document by typing or drawing a signature:

- You can copy and paste a scanned signature or a photo of your signature into the document.
- You will be able to insert for example a photo (jpg, jpeg, png, gif, tiff, tif, bmp) of your signature that you take with your phone and email to yourself.
- You can also sign the signature page on a touch screen device (please ensure the signature matches closely to that of e.g., passport, driver's license, Smart ID card)

NOTE:

- We do not accept the typed signature option (just typing your name)
- We will need one document that we can compare the signature to (e.g. passport, driver's licence, Smart ID card)

ALTERNATIVE

- You can print only the signature page, sign, take a picture and send the picture of the signed page to our Merchant West Treasury Solutions WhatsApp number: +27 79 736 9854 together with the filled-in application form if you have completed (it is an editable pdf).
